**NOTICE OF FILING FINAL INDICES OF JOINTLY DESIGNATED RECORD AND  
APPELLEES' COUNTER-DESIGNATION OF THE RECORD**

On April 1, 2011, the Appellees filed the *Notice of Filing Joint Designation of the Record* [Dkt. No. 26713]. The Appellees indicated in that filing that Bates-stamping was incomplete at that time, and that the Appellees would submit a final version of the index for the joint record (the "Index of the Jointly Designated Record") once the Bates-stamping of the documents was completed.

The final version of the Index of the Jointly Designated Record with the completed Bates ranges for all documents designated is attached hereto at Exhibit A. In addition, a short-form index by topic of the documents contained in the Index of Jointly Designated Record for the Court's and the parties' convenience is attached hereto at Exhibit B.

The Appellees also filed the *Appellees' Counter-Designation of the Record* on April 5, 2011 [Dkt. No. 26734]. The final version of the Index of Appellees' Counter-Designation of the Record with the Bates ranges for all documents designated is attached hereto at Exhibit C.

The underlying document designations have not changed on either the Joint Designation of the Record or the Appellees' Counter-Designation of the Record.

Dated: April 12, 2011

Respectfully submitted,
